Bungee Cord System – No tools required

Top View

View from under table

"Bungee Cords" connect tables securely and are included with all freestanding tables. "Bungee Cords" carry a lifetime warranty.

The innovation lies with the unique 'Bubble Molding' edge design which compresses under the tension of "Bungee Cords" and creates a seal that serves to locate and align interconnected tables.

Leg Options

Legs are available in two styles – Tapered and Spider and in two finishes in Silver (SI) or Black (BK). Choose from adjustable glides or locking casters.

Tapered with Casters

Tapered legs for a functional appeal.

Tapered with Glides

Glides are adjustable.

Spider with Casters

Optional locking casters adjust 3mm to 10mm in height.

Spider with Glides

Spider legs project a progressive style.

BUNGEE™ TABLES

Sophisticated design maximizes space and efficiency.

Tables shown in Avant Cherry (AWC) with Silver Spider legs (SI) and trim. Credenza Buffet shown in Avant Cherry.

Flip Top Table

An easy-to-release mechanism allows the table top to be flipped and "nested" together to save space when not in use.

Lectern/Presentation Board

A Lectern enhances speaker attention. Presentation Boards can serve as a single or two-piece / two-sided rotating white board. Fabric tackboards available (All optional).

Global chairs are tested to meet or exceed ANSI / BIFMA seating standards. These test procedures evaluate seating for function, safety, durability, and structural adequacy. Your assurance of a quality product. As a result all Global products proudly carry a Limited Lifetime Warranty.

Global's Certified Products are in compliance with the stringent emission guidelines set by the GREENGUARD Environmental Institute.
